--- RS-86 - 1/16th Pound - Series “C” - SNUFF - 18 x 25 mm. ---

--- recess printed by ABN in black ink - perf 11 - scanned at 150% scale ---

The collection ***does not contain*** a *cancelled* copy of the 1/16th pound Series “C”, and thus I have no idea when, or where, or even if, this stamp was used in production. The hidden letters “K-S” seem to indicate that the die was produced around 1942. Under the Budget of March 1943 a series of 1/16th pounds provisionals was produced using the old “Series of 1897” stamps.

★**RS-86** - 1/16th pound, perf 11

The first listed used example, in the *cancellation* collection, of a Series “C” snuff stamp is a copy of the 1/12th pound stamp, **RS-88**, from on May 11th 1937.
